Ideas for donation:

- Are you able as a sport to put together a "basket" unique to your sport. (ball/bat boy or girl, t-shirt, kid camp, participate in a practice)?
- Does anyone in your sport work at a local business that might like to donate something?
- Does anyone in your sport frequent local businesses that might like to provide a service (wine-tasting, cooking, dinner, etc.) that would be willing to sponsor with a minimum bid to cover their costs?
 - Trying to support our local businesses by bringing in business without asking them to make a donation out of their pocket.
- Cash contribution from team members to be given to the Auction Committee to purchase an item for the auction.
- Other??
- Please DO NOT solicit businesses.
